

Examination Centres

The centre you select from this list indicates where the University will organise for you to sit any formal examinations during the course of your study. Students should refer to the Student Handbook at www.cqu.edu.au regarding the rules relating to examinations and the selection of an examination centre.

All internal students must sit at their campus of enrolment (*Students enrolled at Noosa Hub, see note below*). External students should choose a convenient location within 100kms of your residence. Please contact the Examinations Section if an appropriate examination centre is not listed below. All students may view their personal examination timetable via the Student Centre in CQUcentral.

If any student is unable to view their examination schedule in CQUcentral two weeks prior to the examination period, the Examinations Section should be contacted on (07) 4923 2349 or (07) 4923 2350 or by fax on (07) 4930 6702.
